Series 4

50 Amp Residential Charger

With innovative features, the Wi-Fi enabled Series 4 allows for maximum power delivery, greater convenience, easy setup, and the advanced technology drivers need to ensure their vehicle is ready to go.

FAST • RELIABLE • SLEEK

Series 4 Benefits

- Level 2 charger (240V) with flexible amperage settings (16-50A) accommodating a range of circuit breakers
- Compact in size featuring a sleek design
- J1772 plug is compatible with all electric or plug-in hybrid electric vehicles.*
- Backed by a 3-year warranty
- Ships pre-assembled with a wall mount bracket that makes mounting quick and easy
- Can be hardwired or plugged into a NEMA 14-50 outlet
- Wi-Fi enabled home charger with remote operation and monitoring
- Wireless technology enables remote functions such as pre-scheduling a charging session, power sharing, and locking the station
- Always up-to-date with Over-the-Air (OTA) firmware updates

*Tesla adapter required

*Actual charging speeds may vary based on environmental and other factors and are not guaranteed
